Buderim Views first public opening this weekend.

Buderim Views Aged Care will open its doors to the media and general public for the first time this weekend, between 10am and 3pm this Saturday 7th March, 2009. The facility is just a few weeks away from welcoming its very first residents.

Buderim Views is a state of the art aged care facility, located on Queensland's Sunshine Coast, and will be regarded as the region's premier aged care residence.

Comprising 120 beds, the facility will provide much needed high care, low care and Dementia specific accommodation to the local community. The facility comprises individual suites fitted with the latest technology, and the provision of "Platinum" extra service beds for residents desiring an additional level of choice and service.

"We've got excellent dining facilities, unique living spaces, and beautiful sensory gardens. The option for residents to receive premium level of choice through our Platinum Extra Services Package will mean that Sunshine Coast residents will be living at the best Aged Care facility in the region." said Peter Clarke.

Buderim Views has been recently been praised for the stimulus it will provide to the local economy, with the creation of 120 new jobs. The facility was visited last month by the Queensland Shadow Minister for Workplace and Job Security, Mr. Steve Dickson MP and Mr. Mark McArdle MP, Deputy Leader of the Opposition and Shadow Minister for Health, who both welcomed the new employment opportunities.

Interested families and prospective residents can inspect Buderim Views at the very first public open day. Attendees will enjoy a tour of the facility and receive advice about the care and services provided, as well as information on entering an aged care residence. An independent financial planner will also be available for consultation.
