Our Ref: BVA20090406

Prime Trust's new aged care facility on the Sunshine Coast opens.

Buderim Views Aged Care, Prime Trust's latest aged care facility, opened its doors to its first residents during March. Already the facility is home to 16 residents, with new residents coming in each week.

Buderim Views staff will be hosting a second Open Day for the general public on Tuesday 14th March, just following the Easter weekend, for visitors to experience the facility first-hand.

Buderim Views is a state of the art aged care facility located on Queensland's Sunshine Coast, and touted as feeling more like a 'hotel' than an Aged Care centre. The new facility compliments Prime Trust's six Retirement Villages located in the region, including the adjacent Buderim Gardens Retirement Village.

Comprising 120 beds, the facility is already providing much needed high care, low care and dementia specific accommodation to the local community. The facility comprises individual suites fitted with the latest technology, and the provision of "Platinum" extra service packages for residents desiring an additional level of choice and service.

"We are very excited that we are now up and running, and already it's proving to have such a lovely atmosphere. All of our residents have settled in well and are enjoying being part of this caring community", says Facility Manager, Dianne Weeks.

"And it's great to see we have some real characters in amongst the new faces. There are some great stories to be told and many laughs to be enjoyed."

"Our intakes are keeping us very busy at the moment, but so far it's all working to plan."

Mr Philip Powell, Prime Trust's Managing Director and CEO said, "This facility has been completed on budget and will be a quality asset in our portfolio. We are delighted with the level of enquiry from the local community. The facility is expected to take a year or so to fill and we are encouraged that 25 beds are expected to be occupied by the end of this month."
